

§17. Exceptions to open meetings

A. A public body may hold an executive session pursuant to R.S. 42:16 for one or more of the following reasons:

(1) Discussion of the character, professional competence, or physical or mental health of a person, provided that such person is notified in writing at least twenty-four hours, exclusive of Saturdays, Sundays, and legal holidays, before the scheduled time contained in the notice of the meeting at which such executive session is to take place and that such person may require that such discussion be held at an open meeting. However, nothing in this Paragraph shall permit an executive session for discussion of the appointment of a person to a public body or, except as provided in R.S. 39:1593(C)(2)(c), for discussing the award of a public contract. In cases of extraordinary emergency, written notice to such person shall not be required; however, the public body shall give such notice as it deems appropriate and circumstances permit.
